INSTRUCTIONS

1. Use a marker to draw a line dividing the container in half.
2. Paint 1/2 of the container with 3 coats of Kiwi.
3. Paint the other 1/2 of the container with 3 coats of Grasshopper.
4. Use a fan brush to paint the inside of the container with 3 coats of Licorice.
5. Water down Licorice with 50% water to 50% paint.
6. To give the 2D effect of an outliner, use a liner brush to draw a vertical line of Licorice on the Kiwi section of the container, about an inch to the left of the line where the two greens meet.
7. Make another vertical line in Licorice about 4" to the right of your first line.
8. Continue outlining on the top and bottom to create the box.
9. Use the liner brush to paint a 1/4" line underneath the top lip with Licorice paint.
10. Finally apply a highlight on the Kiwi section just to the left of the line using Snowflake.

TIPS

- The harder you press on the brush the heavier the lines will be.
- 3 coats of paint will give you a solid color.
